

History

Around 5,000 years ago, the Ancient Egyptians established an extraordinary civilization... we will be stepping back in time to enter their world!

We will learn all about what life was like... the pyramids, mummification, Gods and beliefs and Tutankhamun.

Maths

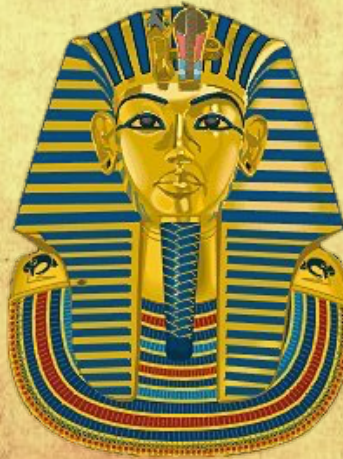

The Ancient Egyptians were fab when it came to maths but the way that we write our numbers is completely different! We will challenge each other with some calculations... Egyptian style!

Writing

Our wicked writers will be writing non-chronological reports, travel brochures and persuasive adverts. We will also use drama to explore the lives of ancient Egyptians and write diary extracts and letters. We couldn't do a topic on Ancient Egypt without having a go at using hieroglyphics... I wonder who will be able to read our messages?

PE

Dust off your dancing shoes... It's time to dance like an Egyptian!

Art and Design

Our creative class will be using the TASC wheel to support our design work. We will make models of mummies and a tomb and design a canopic jar and cartouche.

Tomb Raiders
